INFORMATION DISCLOSURE STATEMENT

Hon. Commissioner of Patents  
Washington, DC 20231

Sir:

Enclosed herewith is a PTO-1449 and cited references to be considered by the Examiner. Also enclosed is an Information Sheet that gives the relevance of each Japanese patent cited in the PTO-1449 for which there is no English language equivalent.

Consideration of the foregoing plus the return of a copy of the PTO-1449 with the Examiner's initials in the left column per MPEP 609 are earnestly solicited.

Respectfully submitted,  
PILLSBURY WINTHROP LLP

Foreign Patent Documents
--------------------------

Document No.: 10-290487 , published Oct. 27, 1998

Country: Japan

Copy of reference: attached

Language: non-English

English translation: not attached for it is not readily available

Concise Explanation of Pertinency: An IC card is used for the shared use of a remote-controller. Data on operating environments (a command, a key arrangement and a code) of the remote-controller are written in the IC card, and the remote-controller operates by reading out these data and memorizing them therein.

Foreign Patent Documents
--------------------------

Document No.: 2000-59717 , published Feb. 25, 2000

Country: Japan

Copy of reference: attached

Language: non-English

English translation: not attached for it is not readily available

Concise Explanation of Pertinency: An IC card slot is provided for both a television and a VTR. EPG (Electronic Program Guide) information is extracted from the television and stored in the IC card. A program is recorded by the VTR based on the information.

The following information has been determined, to the best of TOSHIBA's ability, as possibly relevant to the describing and claiming of the invention of the subject case in a U.S. patent application. Based on this information and pursuant to 37 CFR 1.56(b), please prepare and file the proper Information Disclosure Statement or equivalent document.
